RETURN TO PRICE COMPARISON Yahoo Life strives to find you the best products at the best prices. We can get a share of the purchases made by linking to this page. Prices and affordability can be changing. Get these Kissral Wireless headphones on sale for a whopping 69 percent off. (Photo: Kissral)Let's face it, wireless headphones like Apple AirPods and Samsung Galaxy Buds are great, but they're also over \$250. Enter Kissral Wireless Headphones, a quality pair on sale for as little as \$40, or \$90 on Amazon. This is a sweet 69 percent savings and the lowest price we've seen for this model. Six Days of JuiceY guys offer up to seven hours of impressive sound on a single charge. But with their included charging case, they can last 130 hours on pop. It's almost six days of juice! Charging the case doubles as a juice-up station for your phone, too. The sound is crisp and the bass is pounding. They also allow you to venture 66 feet away from your device. So feel free to leave your phone in the living room while you fix your sandwich in the kitchen. Kissral wireless headphones exceeded my expectations, the five-star reviewer wrote. I use them every day to listen to music and answer calls on my phone and I was very impressed with the sound quality. Synchronization with my Android phone, Android tablet and Macbook was painless. Get these Kissral Wireless headphones for as little as \$40-that's \$90 off. (Photo: Kissral)Great fitWith three sized adjustable ear cups included, you are sure Snugly fit. My wife has a hard time with headphones fitting properly and many are uncomfortable or falling out, says says The smaller ones fit her perfectly. So good that she told me yesterday she forgot that she even wore them while spending the day sewing a Covid mask. They are waterproof tooSince they are waterproof, feel free to wear them during the next hardcore workout. They can even be dunked in just over three feet of water for 30 minutes without missing a beat. I was in the kitchen cooking and one fell out of my ear into a sink full of water. I dried it and knocked it lightly to make sure there was no water in it. Bottom line Is almost 70 percent off, these Kissral Wireless headphones are an affordable solution when you decide to ditch wires and cables in general. With a stunning sound and a handy charging case, they prove that you don't have to splurge to get premium audio. Buying this was the best decision ever! shared by five-star reviewer Amazon. The sound is crystal clear, the headphones fit snugly and I don't even realize the charging case can double like a mini-power pot for your phone.
